Man's Best Friend Deserves Benefits Too!

Unfortunately, pets have many of the same health issues as humans such as Diabetes, Arthritis, High Blood Pressure, to name a few.

Because of this, the medications prescribed by veterinarians are often the same medications prescribed for people. Our pet program can provide discounts up to **80% off generic** and up to **20% off brand** pet drugs that have a human equivalent. Just make sure to ask your Vet for the prescription and you can have it filled at our pharmacy using the card below!

This Medication Savings Program is a FREE card with no enrollment, activation, or expiration date. **THIS IS NOT INSURANCE - VOID WHERE PROHIBITED BY LAW**

*Below are actual transactions from patients who purchased pet medications with a human equivalent:
